Directions: Read the paragraph and find the mistakes. Draw a line through each error in the paragraph. Then write the correction above it.

My dog's name is skipper. He is a black poodle. I take him to play at central park. He plays with other dogs and chases toys I throw. He has many dog Friends who he always plays with. Back at home, he chews on his dog bones. Then he takes a nap. Would you be tired after all that playing.
