**Directions:** Read the paragraph and find the mistakes. Draw a line through each error in the paragraph. Then write the correction above it.

Gina missed three days of school last week she had a cold, and her mother took her to the doctor. The doctor told gina that she was too sick to go to school. Gina had to stay in bed until she got better. On monday, she felt much better and went back to school. She had a lot of work to catch up on?
