Read the paragraph and find the mistakes. Draw a line through each error in the paragraph. Then write the correction above it.

You're in a car. You come to a big Lake There's no bridge. How do you get across. In some places, you can take a boat called a ferry. A car ferry has ramps so you can drive onto the boat. Some ferries are for trains? These boats have tracks on them. Both kinds of ferries are over 300 feet long!
