**Directions:** Read the paragraph and find the mistakes. The paragraph has some mistakes in capital letters and punctuation. Some sentences may have no mistakes. There are no mistakes in spelling. Draw a line through each mistake in the paragraph. Then write the correction above it.

### Paragraph 1:

Being an Astronaut may seem like a fun job, but it takes a lot of training and hard work. Astronauts train for years before their first space mission. Some of their training takes place in a special computerized machine called a flight simulator Using the simulator, an astronaut can feel what it will be like on the moon. She can practice moving around without gravity, too?

### Paragraph 2:

Being a flight attendant is an interesting job A flight attendant works on an airplane to assist the passengers. He Helps make sure the passengers are safe. He also serves the passengers food and drinks on the airplane. Flight attendants get to travel all around the world as part of their job. They may visit europe, Asia, and Africa all in one Week. Do you think you would like to do that job.
